1 INT. DORM ROOM - NIGHT (THE GIRLS ENTER)**1**

A dorm with two beds. ALI (19, F, cute and thoughtful) does her night-time skin-care routines as MADISON (19, F, arrogant Gen-Z sorority girl) swipes dating apps on her phone.

ALI
Still looking for mr.perfect?

MADISON
He's gotta be out there somewhere.

ALI
You're always on that stupid app lately, you're obsessed.

MADISON
Ali, it's Sophomore year. If I'm still single I might as well die.

They smile. But the door opens. KAYLA (F, 18, timid, self-conscious) and RAVEN (F, 19, Goth who doesn't fit in) enter. They're both holding SLEEPING BAGS or BLANKETS.

KAYLA
Sorry, Madison. The heat's out in our room. Mind if we sleep here?

MADISON
Um...I'm actually really busy right now (as she swipes on her phone)

ALI throws a pillow at MADISON. Madison lowers her phone and smiles.

MADISON
Fine.

ALI
Slumber party!

Kayla smiles wide and sets her stuff down on the small couch. They ignore Raven, who stares out the window into the night.

KAYLA
How's the boyfriend search goin'?

MADISON
It's goin. But I kinda feel like I'm close. Like tonight's special.

ALI

Valentine's Day was last week, you missed out. You can always hire a male prostitute. I'll chip in.

They giggle. They see Raven in deep thought.

RAVEN
Today's FEB 21.

MADISON
Ok...and?

RAVEN
1 year exactly, since the car accident.

The other three girls exchange looks uncomfortably.

KAYLA
I thought we agreed we weren't ever gonna talk about it anymore.

MADISON
It was an ACCIDENT. Accidents happen, is it worth ruining our lives over?

ALI
We should've done something. We didn't even look and see if they were ok. What if they...

RAVEN
Died?

MADISON
Shut up!

MADISON
Everyone's fine. We're fine, right?

They all look down. But Raven just shakes her head. She goes to the closet and returns with an old OUIJA BOARD.

RAVEN
Let's ask it a question.

Madison rolls her eyes and sighs.

MADISON
There's no way I'm touching that thing.

2 INT. DORM ROOM (OUJIA BOARD)**2**

CUT TO: They four girls sit on the floor around the board. Their fingertips are on the the PLANCHETTE (the heart-shaped piece that moves to letters).

MADISON
This is so stupid.

With all their fingers on the Planchette, it moves across the board to different letters. They laugh, but Raven is serious.

RAVEN
Is there is a spirit here with us
now?

They stare down at the planchette. Nothing happens.

MADISON
See, I told you this was a waste
of...

Suddenly, it moves!

ALI
Oh my god. Are you guys moving it?

They're all scared.

ALI
(reading the letters out)
D-R-E-A-M... dream?

Madison stands up.

MADISON
This is bullshit. Raven was clearly
moving it on her own! I'm done
here.

ALI
Biochem's at 8am. Call it a night?

Madison glares at Raven then TURNS OFF THE LIGHT. Ali and Madison go to their beds, Kayla to the couch. In the dark, Raven gets in her sleeping bag on the floor. MADISON stares at the Ouija board then turns and continues to swipe on her phone at guys. The Ouija board moves on it's own. Madison falls asleep.

3 INT. DORM ROOM - LATER (SLLEEPING THEN KNOCK AT THE DOOR)**3**

Madison is sleeping then hears a knock on the door as it slowly wakes her.

MADISON
Guys? Someone's at the door. Wake
up.

Her friends who remain sleeping. She is half awake and upset and approaches the door. She opens it and no one is there. Then she hears the shower running.

4 INT. BATHROOM - NIGHT (BATHROOM DREAM)

4

Madison wanders in. The room is filled with STEAM. She approaches and sees A MAN showering, she looks away at first but can't help herself. In SLO-MO she sees his body, but not his face.

MADISON
Oh my god. Sorry. Who are you?

THE MAN
(slow, intense voice)
The man you desire.

MADISON
(in awe of his body)
You shouldn't be here ya know.

THE MAN doesn't respond.

MADISON
What's your name?

THE MAN
Jake. Richards.

MADISON
Jake? What are you doing here Jake?

THE MAN
Join me.

Madison turns towards him and considers it, as she looks like she is in a trance, she begins to take off her pajamas as they fall to the floor and she approaches, reaching out his hand. Blood drips off his body and into the drain.

5 INT. DORM ROOM - NIGHT (ALI WAKES UP MADISON)

5

The bedroom lights are on. Madison eyes pop open as Ali shakes her.

MADISON

Jake... .

ALI

Madison? What--? Are you okay?

On the floor, we see that Raven is awake, staring vacantly at Madison, like she knows something bad is coming. Kayla is awake too concerned.

ALI

You must have been having a nightmare.

MADISON

Not a nightmare, a good dream. Ugh. And it was just getting good.

ALI

You were talking in your sleep.

KAYLA

Were you having a wet dream?!

Madison pretends to look shocked, like she's denying it.

ALI

Who is Jake?

MADISON

Low-key the sexiest guy I've ever seen. The man of my dreams.

ALI

Well I'm very happy for you but we're trying to sleep.

MADISON

It felt so real. Jake Richards. I'm gonna look him up.

She excitedly takes out her phone and searches Instagram.

RAVEN

Be careful what you wish for...

MADISON

Uh please shut up, Raven! Let me have some fun.

(then sees phone,
excited)

Oh my God, that's him! He's real!

She's excited. She holds out her phone for everyone to see. 'Private Profile' of @Jake_Richards. They're stunned.

6 INT. DORM ROOM - NIGHT (ALI WAKES UP MADISON)

6

MADISON

I knew it! I manifested him!

ALI

Whoa that was actually him? I can't believe it!

MADISON

Damn. His profile is private. Whatever, I'm following him.

She follows him on Insta. Ali and Madison smile excitedly. but on the floor in her sleeping bag, Raven watches coldly.

RAVEN

I don't like this.

MADISON

Just go back to sleep, this doesn't concern you.

Raven turns to face away from them, covers her face with the sleeping bag to try to block out the light. She is worried.

MADISON

He'll follow me back. I know it.

ALI

Sure, but it's like 3am on a school-night. He probably won't see your request 'til tomorrow. I'm going back to bed.

Ali is about to turn off the light, just as Madison gets a ding on her phone. She looks at Madison. Madison smiles.

7 INT. DORM ROOM -NIGHT- CONTINUOUS

7

She checks her phone alert: "@Jake_Richards started following you."

MADISON

Oh my god, oh my god, oh my god!

The other girls are confused.

MADISON (CONT'D)

He followed me back! He's real.

KAYLA
Oh my god no way.

ALI
Wow, in the middle of the night
too?

Madison is excited in bed. Across the room on the cold floor, Raven is awake, emotionless.

ALI
Well??? Show us some pics.

MADISON
I'm sending it to our group text!

She takes a SCREENSHOT and texts it. The phones of the other 3 girls DING. They all see the photo (we don't see it yet).

ALI
Wow, handsome. You're lucky!

KAYLA
Yeah he's super hot. I can see why
you were moaning in your sleep.

MADISON
I told you, Raven! He's real, and--

We see the photo: THE MAN from the dream in B&W. He's handsome and mysterious. Raven ZOOMS IN on the photo and GASPS. She sees text on the image: "IN LOVING MEMORY".

RAVEN
--Um Madison, why did you send us
an obituary photo?!

(EPISODE 3) (cont'd)

MADISON
What are you talking about?

Raven shows her phone.

RAVEN (CONT'D)
It's black and white and on the
bottom it says "In Loving Memory."
It might as well say "R-I-P" --
Rest in Peace. He's dead as fuck.

The girls are stunned and confused. Madison is annoyed.

ALI

It does say "In Loving Memory" but-

MADISON

--No, no no, that can't be true. It must be a joke.

Madison is upset.

KAYLA

Maybe it's his twin brother or something, who knows? You could dm him, just to be sure.

Madison nods and feels better, which makes Kayla smile. Then Madison goes on the Man's Instagram to DM him. She texts:

MADISON (V.O AS SHE TEXTS)

I found you. The man of my dreams.
;)

ALI

I hope this one finally works out.

RAVEN

I don't think it will, pretty sure he's really dead.

Madison shoots her a mean look.

MADISON

You're just jealous you could never get a guy like that, even in your dreams.

Her phone DINGS, a new message. It's a DM reply from @Jake_Richards.

MADISON

Holy shit. He replied!

The girls can't believe it. As she reads, we hear his low, slow voice:

THE MAN (V.O.)

I'm glad you found me Madison.

MADISON

He said he's glad I found him.

ALI

Ok great! Case closed he's alive. Can we go back to sleep now?

Ali turns off the light.

Madison smiles, lies down and rolls over onto her side, holding the phone to her face to text him back.

8 INT. DORM ROOM - NIGHT (TEXTING MONTAGE) 8

Raven, Ali and Kayla sleep. But Madison is wide awake, typing on her phone as its light illuminates her face in the dark. Montage of texting all night long.

9 INT. DORM ROOM - MORNING STORY DAY 2 (THEY WAKE UP) 9

1 week later

Ali has her cutest outfit on. She finishes the final touches on her makeup. Her PHONE ALARM goes off. She grabs her purse.

ALI
Madison, time to go!

She looks at Madison's bed. The covers are pulled all the way over Madison, covering her. It looks like Madison is asleep.

ALI
Madison, come on,
You can't be late
(silence. She approaches)
Wake up!
(silence. Getting
worried)
...Madison?

She pulls the sheet off and is shocked to see Madison wide awake, with dead eyes like a Zombie, DMing on her phone.

ALI
Did you get any sleep at all? You
look like shit.

Madison briefly glances at Ali with annoyance, then ROLLS OVER to ignore her and keep texting. Ali is really worried.

10 INT. LAUNDRY ROOM - DORM BUILDING - DAY (LAUNDRY ARGUING) 10

The whirl of washing machines in the dark. Madison is alone, expressionless, stuffing clothes in the dryer. Ali enters with clothes. She smiles, but Madison doesn't notice her. Madison looks like a sleep-walking zombie. Ali approaches.

ALI

Are you alright? There's bags under your eyes. I'm worried about you.

(Madison doesn't respond)

You've been acting weird.

MADISON

Have I?

She tries to leave, but is so tired she loses her footing. Ali CATCHES HER shoulders, and accidentally catches some of Madison's long hair. Ali is shocked when the HAIR FALLS OUT.

ALI

Oh my God, Madison?! Your hair!

MADISON

It's nothing. It's been like that all week.

With minimal effort, she pulls on her hair and a HUGE CLUMP FALLS OUT. Madison seems unconcerned, but Ali is horrified.

ALI

OK, OK, let's go to the health clinic and get you checked out.

MADISON

I just need a good night's sleep.

She walks away, emotionless, like she's sleep-walking. Ali is very worried. Before Madison can exit, Raven enters and grabs her, SHAKES HER and SLAPS HER face to try to wake her up.

RAVEN

Hey! Wake up! Please tell me you're not still texting the dead guy?!

Madison looks annoyed, but DING, she gets a new DM!

Madison

If he's dead then why is he texting me?

(EPISODE 4) (cont'd)

Madison tries to read her text, so Raven stops her. Madison suddenly is furious and shoves Raven off with real anger.

Raven

I'm worried about you.

MADISON

(silence, then realizes)
Ohhh, I get it. You're low-key into me. You think saying all this stuff will make me leave him for you?

RAVEN

You're a fucking idiot Madison, and--!

Kayla enters, half-asleep in pajamas.

KAYLA

--What's going on?

ALI

Nothing. Just a misunderstanding. And I'm sure neither of you meant what you said, right?

Madison scowls. Raven leans in to Madison's face and eyes.

RAVEN

Oh, I meant it. You were always obsessed with your image. Now look at you, Madison. Your under-eyes are puffy. Your skin is pale--you look like death

ALI

Stop, Raven! Madison is just tired. And she probably just has a fever or something.

She tries to guide Madison away but Raven GRABS Madison and touches her forehead. What Raven feels makes her GASP.

RAVEN

She's freezing
(grabs Madison shoulders)
Stop DMing him. There's something bad happening. I can feel it. You need to take care of yourself.

MADISON

(pushing Raven off)
Get off of me.

RAVEN

Tell me this. If your "boyfriend" is a normal, living man, why does he only DM? Have you met in person or FaceTimed?

MADISON

Just be happy for me and stop being jealous.

KAYLA

Madison said Jake took the semester off to take care of his mom ! He can't FaceTime or call because his signal is bad. They live in the mountains or something.

RAVEN

Sounds like a bunch of bullshit to me. Ask yourself, do you really believe that?

They all think, unsure, except Madison.

(EPISODE 5) (cont'd)

Ali

Maybe she has a point Madison.

MADISON

Why are you even listening to her. Shes a loser?

KAYLA

Ok so what if he's not dead, he's just csthishing you? And he's some fat 60 year old bald guy in a basement?

Madison looks absolutely furious and glares at Kayla. Kayla suddenly looks down in shame.

KAYLA (CONT'D)

I mean, no, you're too hot to be catfished. He's definitely real!

RAVEN

When you were driving the car that night and I told you you shouldn't drive you didn't listen to me then. You won't listen to me now?

Madison looks furious and slaps her.

Madison

Bitch.

Raven isn't phased.

RAVEN (CONT'D)

That night we used the oujia board.
We might have opened a doorway to
something.

MADISON

Do you hear how insane you sound?

Furious, Madison EXITS. Kayla runs out after her. Ali looks at Raven like she's starting to really believe her...

11 INT. DORM ROOM - DAY (THRY TRY TO CONVINCHE HER TO VIDEOCHAT) 11

Madison sits on her bed and pouts. Kayla knees to hold her hand. Ali stands nearby, worried and thinking hard.

MADISON

What did I do to get assigned to a
dorm with that lesbian goth
psychopath.

Kayla holds her hand.

KAYLA

She's probably just jealous. It's
why she's into all this creepy
supernatural stuff. She wants
people to think she's special. But
really, she
just wants attention from girls
like you. Like us.

ALI

(quietly, concerned)

But don't you think Raven has a
point? No offense, Madison, I'm
super happy for you. But... Jake
has never once called you or
FaceTimed you. I'm just wondering--

MADISON

(stands up, angry)

--Wondering WHAT?! Are you as crazy as she is? You think my boyfriend - -who I text with literally every single night-- is a DEAD man?! I mean, seriously?! Maybe we should get you both on meds?

Kayla looks uncomfortable. Ali looks hurt and gets defensive.

ALI

No, Madison, that's not what I meant! I only meant... there's an easy way to prove her wrong. Just ask your him to video chat with you once. It'll shut Raven up for good. And besides, don't you want to see him, face-to-face?

Madison contemplates this, she does want to see him.

KAYLA

Yeah. Raven will be so embarrassed, maybe she'll move out of our dorm!

MADISON

(taking out her PHONE)
Fine. I'm gonna FaceTime my boyfriend right now, and show that goth cunt once and for all.

(EPISODE 6) (cont'd)

Madison sends a DM. We see her typing and hear it in her VO:

MADISON (V.O.)

Babe, can we PLEASE video chat. I really need to see you. <3

He replies immediately. As we hear his slow, creepy voice, Madison FLASHES TO: Ep 1 images of him naked in the shower.

THE MAN (V.O.)

I can't. Sorry.

BACK TO SCENE: Disappointed, Madison shows the DM to Kayla.

KAYLA

Tell him if he won't do a super quick video call right now, you'll break up with him!

(Madison looks worried)

Don't worry, you're too hot. He won't risk it. Trust me. He'll call.

MADISON (V.O.)
 (texting him back)
 What could possibly be more
 important than ME right now? If you
 won't FaceTime me, we're DONE!

THE MAN (V.O.)
 I couldn't live if you broke up
 with me.

MADISON (V.O.)
 (texting back)
 My dumbass roommate thinks you're
 some kind of ghost or whatever!
 It's making me look desperate.
 Sorry. Please baby, I need to prove
 it to them!

THE MAN (V.O.)
 (instantly replying)
 I don't have good signal here.

As this text exchange happens, Ali watches nearby in anxious anticipation, rubbing her neck with anxiety.

MADISON (V.O.)
 (texting back)
 Please, can you just try to go
 outside or somewhere high up. Just
 for a second

She sends it, but this time, gets no reply. Anxiety builds.

MADISON
 Why isn't he responding? I came on
 too strong. Did I give freak him
 out?

KAYLA
 No! I'm sure he'll reply in a sec!

They stare at the phone in anxious and unsettling silence.

ALI
 Madison... if your boyfriend won't
 even do this one simple thing...
 there's something shady about him.
 Maybe Raven was right. Maybe he's--

DING. Madison gets a new text. She eagerly reads it.

THE MAN (V.O.)
 Tonight.

MADISON

He agreed! It's happening tonight!
Ah, I gotta do my makeup!

Ali is relieved, but still feels unsettled and confused...

(EPISODE 7) (cont'd)

Madison holds out her phone and celebrates. Raven enters. She tries to keep to herself and quietly get something from the shelf. But Madison sees and taunts her.

MADISON

Hey Raven, remember how you said my
boyfriend was dead or whatever? And
that's why he wouldn't call me?
(shows Raven the phone)
Womp, womp! Wrong again, you shady
bitch!

KAYLA

Yeah, Raven! She's got a hot video
date tonight, guess your theory was
wrong.

MADISON

Sucks to suck.

Madison and Kayla laugh, mocking Raven.

RAVEN

Really? He agreed to a video call?

MADISON

Yeah, obviously he didn't want to
jeopardize our relationship and
miss out on this-

She flaunts her body to show off, posing provocatively. Kayla applauds and fans herself off because Madison is so hot.

MADISON (CONT'D)

Raven, normally I wouldn't want
your bad vibes anywhere near me.
But I dare you to come see for
yourself how good Jake looks
tonight. If it won't make you too
jealous, I mean.

RAVEN

(immediate and confident)
I'll be there. I need to see this.

Madison's surprised. CUT TO STOCK FOOTAGE of CAMPUS at night.

12 INT. DORM ROOM - LATER THAT NIGHT

12

The girls sit at a small table.

She finishes her makeup. Then takes a deep breath.

ALI

He'll love it. You look great.

Madison smiles anxiously, then starts a FACETIME CALL to @Jake_richards. It rings... Madison props her phone on a STAND to frame herself in the best and most flattering angle. The call rings... They start to feel anxious and concerned.

MADISON

Why isn't he answering?

RAVEN

I already told you why. Dead men can't answer calls.

Madison looks anxious. Ali is getting very worried. But then the call is answered. At first, we only see a BLACK SCREEN.

MADISON

Yay! He picked up!

We don't see her phone screen, but when she looks at it she JUMPS BACK in shock. The other girls all look, and they GASP in fear. Whatever they see, it's shocking. PAYWALL OPTION #1.

(EPISODE 8) (cont'd)

They gasp in shock. REVEAL THE PHONE SCREEN: The MAN against a black background. His room is pitch black, and we only see half of his face. The other half is black in shadow. The look on his face is incredibly creepy and unsettling. Raven records the audio on her phone.

MADISON

Oh... Baby? Is that you?

THE MAN (ON VIDEO CALL)

(slow, deep, creepy
voice)

...Baby?

Kayla looks unsettled and confused, but tries to smile.

KAYLA

Madison. Your boyfriend.. Is hotter in person than in his Insta pics.

Madison smiles then speaks to Jake on FaceTime:

MADISON

It's so nice to see you. How's your night? Have you had dinner yet?

THE MAN (ON VIDEO CALL)

...No.

ALI

Why does he sound so creepy.
(realizing, afraid)

Madison

Shhh

Ali Raven and Kayla look intrigued.

PHONE SCREEN POV: The FaceTime call fills our screen. Madison speaks into camera, the Man fills a small box in the corner.

MADISON (ON VIDEO CALL)

Well thank God you picked up. Some people have been making insane accusations about how you're a ghost or something, LOL!

She turns to Raven, as we LEAVE THE PHONE POV:

MADISON (CONT'D)

Look at my boyfriend with his cute face and manly jawline. He looks pretty alive to me!

RAVEN

Why is he hiding that side of his face?

Madison rolls her eyes. FACETIME PHONE SCREEN POV:

MADISON (ON VIDEO CALL)

Baby can you do a head turn for me? It's kinda dark. I wanna see the other side of that gorgeous face.

THE MAN (ON VIDEO CALL)

No.

Madison is confused. WE LEAVE THE PHONE POV. Ali is afraid.

ALI

He just needs to turn his head. What's so inconvenient about that?

RAVEN

There's something he's hiding. He wants to keep you hooked.

Madison scoffs and MUTES the call, then leers at Raven.

MADISON

You said he would never facetime me and here he is. Haven't you seen enough?!

RAVEN

Have him turn his head to prove me wrong. It couldn't be more simple.

Madison scoffs in frustration. Then she un-mutes the call.

MADISON (INTO PHONE)

Baby, you're embarrassing me! If you don't let me see your face, I'm gonna, like, break up with you!

THE MAN (ON VIDEO CALL)

No. Don't leave me... please.

MADISON (INTO PHONE)

Then turn your face to the camera!

THE MAN (ON VIDEO CALL)

You... really... want... to see?

MADISON

YES! Don't be shy. I know you're super hot, come on, show me.

THE MAN (ON VIDEO CALL)

Since you'll leave me if I don't show you, fine.

He slowly starts to turn into the light. ON ALI: Whatever she sees makes her SCREAM in horror. Kayla covers her eyes in terror. Madison staggers back and covers her mouth in shock.

(EPISODE 9) (cont'd)

He suddenly moves in a fast and jarring motion to REVEAL: The other side of his face is covered in OPEN WOUNDS and SORES. The girls all gasp and stagger back in shock and horror.

MADISON

Baby! What happened to your face..?

THE MAN (ON VIDEO CALL)

I had a bad allergic reaction. I broke out in hives and couldn't stop scratching. I didn't want you to see me like this...

MADISON

Oh, no wonder you were being so weird about FaceTiming with me! Just put some ointment on, you'll be handsome again in no time! Right?

THE MAN (ON VIDEO CALL)

I have to go now.

MADISON

Oh. Okay, baby. Goodnight. I'll talk to you tomorrow--

But click, he hangs up. Madison turns to the girls:

MADISON

Ok whatever it's just an allergy. But I can live with that, because he's a complete HOTTIE!

(turns to Raven)

A hottie who's alive. What do you have to say now, goth girl?

Raven is confident, but before she can respond, Kayla laughs:

KAYLA

It's OK, Raven. Just accept that you'll never get a boyfriend that handsome and you need to set your standards lower.

(touches the floor)

Much lower. To be on your level.

Kayla and Madison laugh. Ali looks shaken and is thinking.

RAVEN

Enough, Kayla. Madison, it didn't look like an allergic reaction. He looked more like a burn victim. Like...he was in a car accident or something.

Madison is about to yell at her, but they all look at each other nervously. Ali finally speaks up.

ALI

Madison, I think we should listen to her. Something was off about him. His face did look a lot like scars from third-degree burns

MADISON

--Ali, all you're doing is ruining our friendship by siding with this lunatic! But maybe, deep down you're jealous just like her. Jake is alive and well and he's all mine.

Ali is stunned. Her feelings are hurt by that cruelty.

RAVEN

Wait. I recorded the FaceTime audio. Let's just listen to it to see if we notice anything...weird.

MADISON

Fine! I'd love to hear his sexy voice again! Play it.

She sets the phone on the table and hits play.

MADISON (O.S.) (AUDIO RECORDING)

Oh... Baby? Is that you?

Instead of his reply we hear STATIC. The girls look confused.

MADISON (O.S.) (ON AUDIO RECORDING)

So what's up, babe? How's your mom? Have you had dinner yet?

Instead of The Man's verbal response, now we hear DEEP, TREMBLING, TERRIFYING STATIC that makes the TABLE SHAKE! Ali is terrified. Even Madison is afraid now. PAYWALL OPTION #2.

(EPISODE 10) (cont'd)

They're terrified by the STATIC. It gets quieter, until they can barely hear anymore. The girls lean in close to hear...

And it suddenly gets VERY LOUD, making them flinch. On top of the static, they hear deep, guttural, DEMONIC SOUNDS. The SCREAM! They cover their ears and jump out of their chairs.

KAYLA

OHMYGOD, OHMYGOD! WHAT'S HAPPENING?

He didn't sound like this before!

(makes Sign Of The Cross)

OHMYGOD PLEASE GOD!

Madison grabs the phone and MUTES it. The sounds stop and they all exhale. Madison LUNGES at Raven furiously.

MADISON

You fucked with the audio file!

RAVEN

(calmly backing up)

Madison. Before it's too late, cut off contact with that thing. Block his number. Can't you see? I gotta get out of here.

Raven EXITS. The rest of the girls go silent. In shock, Ali takes Madison's hand to gently plead with her.

ALI

Madison, please. You and Raven don't get along, but just this once we should listen to her.

(Madison scoffs)

There's something wrong with him. You have to block his number. Ghost him. I'm your friend and I don't want anything to happen to you.

Madison really thinks about it. Ali is hopeful she convinced her. But Madison's PHONE DINGS, new text. They're all afraid.

KAYLA

No... please... don't...

Madison cautiously checks her phone. A new VOICE MEMO text. Trembling, she hits play. His slow, creepy voice echoes:

THE MAN (O.S.) (PHONE VOICE MEMO)

Baby... You never said goodnight...

The sound and tone of his voice is very unsettling. Madison holds her phone in terror. PAYWALL OPTION #3.

(EPISODE 11) (cont'd)

Madison's phone BUZZES in her hand again. A NEW VOICE NOTE.

KAYLA

Ah! No, don't play it!

Madison is so afraid that she THROWS her phone aside. CUT TO:

A dark, surreal place. We see THE MAN from behind, but never his face. He looks to the sky (or out a window to see the dark sky). Then a CLOSE UP on the normal side of his face.

THE MAN
She didn't reply to me.

Suddenly ALI is behind him. She's confused and afraid.

ALI
What--where am I? Who--

THE MAN
Did you do this?! Did you convince her to ignore me?!

ALI
(terrified)
I--no! I didn't do anything!

She tries to back away, but feels herself PULLED TOWARD HIM and she can't stop it. She resists. It's terrifying.

ALI (CONT'D)
No, I swear! Madison is just afraid. You're the one who did this, you scared her!

THE MAN (FROM BEHIND)
It must have been YOU! I'll come for you. If she doesn't reply to me...you'll suffer just like me!

Suddenly, Ali is hit by a GUST OF WIND! She SCREAMS but the strong wind mutes her voice. MATCH TO:

14 INT. DORM ROOM - NIGHT

14

Ali SCREAMS loudly. She suddenly WAKES UP from her nightmare in a cold sweat. She takes a deep breath, calming down.

The light is on. Kayla and Ali are already awake, solemn.

(EPISODE 12) (cont'd)

Ali looks absolutely terrified. Kayla and Madison share a glance.

MADISON
Ali... are you ok?

ALI

I... I had a nightmare. Jake. His back was to me, but it was him.

Suddenly, Kayla starts breathing

KAYLA
OHMYGOD, OHMYGOD, OHMYGOD!

MADISON
(annoyed, but worried)
Kayla, WHAT?!

KAYLA
OHMYGOD! Same nightmare! It was him with me too! And he asked me why--

ALI
--Why Madison didn't reply to his message.

KAYLA
OhmyGod, we had the same dream...?

ALI
(nods, to Madison)
What about you, Madison? Did the three of us have the same dream?

They look at Madison. Madison is quiet, concerned, unsettled.

MADISON
Yes. But in mine, he also said...
(quietly, worried)
"The time is now. Come to me."

Ali gasps in fear.

(EPISODE 13) (cont'd)

ALI
The three of us had the same exact dream?! This is too weird.

Kayla gets off the couch and rushes to Madison's bed, crying.

KAYLA
Madison, what do we do?! Is he going to come for us tonight?

Kayla and Ali are afraid. But then Madison sighs.

MADISON
It's just a dream. Dreams can't hurt you.

Kayla shakes her head

KAYLA

No, this was not like any other dream.

But Madison reaches for her phone.

ALI

No, Madison, what are you doing?!

MADISON

Maybe I should reply to him. I miss him. I can't stop thinking about him.

ALI

(jumps out of bed)

NO! Don't! you have to cut off all contact and block him!

KAYLA

She's right! Please, Madison, please! We don't know who or what he is. Please, I'm freaking out right now!

Madison rolls her eyes and hits send. We don't see what she texted, but we hear the swoosh sound of her text being sent.

MADISON

Don't you see what's happening? The three of us are friends, and we've all been talking about Jake a lot so whatever we all had a dream about him.

KAYLA

But we heard his true voice, he sounded like a demon--

MADISON

--Oh my God, have you ever heard of AI? Raven clearly messed with the audio file. She could've done it in two seconds on ChatGPT! She's obviously trying to fuck with me.

DING. She gets a new text alert. Ali and Kayla tense up in fear. But Madison smiles wide and checks her phone.

MADISON

Oh great. He replied.

She looks at her phone screen. We don't see his texts yet, but Madison suddenly DROPS HER PHONE in shock.

ALI

...Madison...? What did he say?

MADISON

He said... He's going to find me tonight.

ALI

(gasps in horror)

That's exactly what he said he'd do my dream.

KAYLA

OHMYGOD! What will he do to us?!

Kayla and Ali clutch their blankets in fear. Madison is anxious and afraid now. And then -- heavy knocking at the door, the doorknob shaking.

(EPISODE 14) (cont'd)

Raven opens the door.

RAVEN

Why'd you lock the door?

She closes the door behind her. Ali sighs in relief. Kayla tries to calm her heavy breathing. Madison is confident again. The tension is thick. Ali takes Raven's hand.

ALI

Raven, the three of us just had the same exact dream. And the voice of the man in it... It Jake! He said he was going to come tonight to find her.

RAVEN

(calm, to Madison)

I had the dream too. I warned you. Now you believe me?

KAYLA

We're sorry we ever doubted you or talked shit about you! You were right all along! Please, you have, like, hots ghot removal books? You know how to end this, right? You can help us?!

RAVEN

It depends. Is it you asking for my help or all of you? Because I don't hear Madison apologizing to me.

Ali and Kayla look at Madison, practically begging her to apologize. But Madison is too proud, and she won't do it.

RAVEN

Ok, you clearly don't want my help.

She turns to leave. But Ali grabs Raven's hand to stop her.

ALI

Wait. Raven, we're all sorry. You were right, and--

Madison stops the apology.

MADISON

Actually, no. That's a hard pass, Raven. We don't want your help. We don't even want you here, we never asked to share a dorm with a creepy goth freak--!

ALI

--No, Madison, stop! We need her!

MADISON

I think was is all your doing, Raven. You manipulated everything we've experienced, just to scare us! Because you're pathetic and have nothing better to do! So stop trying to be me, and get out--

ALI

--Not another word! We need her!

RAVEN

It's okay, Ali. But thank you.

(to Madison)

You want to fend for yourself? Fine by me. But know this: That thing is connected to all of us. And I think we all know how.

The girls are shocked. Ali and Kayla are terrified.

(EPISODE 15) (cont'd)

RAVEN

The car accident last year. I think he was the guy in the car we hit. We killed him. I don't think he knows it yet. His soul is lost. That's why he's connected to us. We must have let him in when we used the ouija board.

(Kayla and Ali gasp)

ALI

And you're the one who made us use the stupid fucking ouija board.

KAYLA

OHMYGOD, OHMYGOD, OHMYGOD!

RAVEN

I'm sorry.

They're terrified. Madison is in shock.

MADISON

Then what do we do?!

Raven reaches into her BAG and hands each of them a CANDLE. The girls are confused.

RAVEN

We have to make him leave.

ALI

And how exactly do we do that?

Cut to

Raven takes out a PIECE OF WHITE CHALK and DRAWS A BIG CIRCLE AROUND ALL OF THEM ON THE FLOOR with candles beside them.

RAVEN (CONT'D)

This line divides our world from his. If that damn creature comes tonight, it'll slow him down, as long as you stay within the circle..

(finishes chalk circle)

If we keep him away long enough, his soul will wander off somewhere else, away from us.

KAYLA

We'll do exactly what you say. We won't leave this room all night!

ALI

Raven. Deep down I always knew you were special, but never let myself really see it until now. Thank you.

RAVEN

Madison?

MADISON

Fine.

They all nod off. Madison's phone BUZZES. It's just outside the circle. She opens her eyes and looks around. She tries to reach for it but can't. She steps out of the circle looks at her phone as her eyes go wide and it cuts to black.
